

# AGC MEMBER PROFILE

**An Interview with  
Ken Poppe, Director of Business Development  
Precision Heavy Haul, Inc.**

**When was your company founded?**

March 29, 1984

**Who are the owners/board of directors?**

Michael Poppe, Founder and Owner

**Board of Directors**

Michael Poppe, James Mussmann, Vickie Poppe, Tiffany Poppe

**Location of Company Headquarters:**

8145 West Harrison Street  
Tolleson, AZ 85353

**Are you a national or local company?**

Local

**What does your company do?**

Precision Heavy Haul has an extremely diversified fleet -- not only do we handle your everyday construction equipment needs from skip loaders, backhoes and water trucks, PHH also specializes in moving oversize, overweight loads well over 900,000 lbs. PHH offers a variety of forklift sizes from 8,000 lbs. up to 52,000 lbs. capacity used in moving machinery components and plant moves. PHH's Rigging Division provides a state-of-the-art jack and slide system for handling onsite power generation equipment, skids, tanks, machine moves and much more. PHH offers state-of-the-art engineering and fabrication to assist you with your design and build needs. For over 25 years Precision Heavy Haul has been here to serve your needs. "Big or small we haul it all."

**How many years have you been involved in AGC:**

23 years

**Why are you a member of AGC?**

To be a part of, and help support a group of companies coming together to form an organization that works towards securing a long-term future for companies that are in a common field of work.

**What awards have you or your company received in the 2000s?**

2004 SCRA Hauling Job of the Year

2005 SCRA Hauling Job of the Year

2007 APS 4-Corners Supplier of the Year

2001, 02, 03,04,05,06,07,08,09 Great West Casualty Fleet Safety Award

2003-04-05-06-07, 09-10 SCRA Zero Accidents Award

2001, 2002 ATA Outstanding Fleet Safety Record

**What is one of the greatest accomplishments you and/or your company has done to help others in the community?**

Precision Heavy Haul sponsors several different youth sports programs consistently every year. The Sponsorship funds help with numerous things such as field maintenance, light bills and uniforms. With the additional funds brought in by sponsors, many of these leagues can keep registrations at a cost that is affordable for many more kids to play organized sports.

Precision Heavy Haul is also working closely with ATA on creating awareness videos that will be shared with schools throughout the country. These videos will hopefully make an impact on teenage drivers, making them more-aware drivers and hopefully avoid the possible hazards most drivers encounter on the road every day.

**What message would you say to folks to be successful in this industry?**

Long term working relationships are made through giving a customer an honest job time after time, treating their equipment as if it was your own.

**What else would you like to share with the members of AGC?**

Being a customer driven industry, perseverance through tough times will make you a stronger company and never let you forget where you came from.
